

Project:
Energy of nature

30.6.2017 – 7.7.2017, Karlovac, Croatia

The objective:

- increasing participatory learning and active involvement of the young people in the local community
- active using of renewable energy and energy efficiency and therefore environmental protection

The project's goal

- to encourage stronger participation of young people to become active agents in renewable energy use and environmental protection

Projekt: Energija prirode

Kratki opis

Udruga za lokalni razvoj „Turbina promjena“ je u periodu od 30. lipnja do 7. srpnja, bila domaćin razmjene mladih u sklopu Erasmus + programa „Energija prirode“, čiji cilj je bio potaknuti konstruktivnije i učestalije sudjelovanje mladih u korištenju obnovljivih izvora energije i zaštiti okoliša. Neke od kompetencija koje su stečene tijekom ove razmjene bile su dodatna edukacija, motivacija za volontiranjem te osnaživanje i podizanje svijesti o raznim mogućnostima koje nudi ova vrsta intervencije u lokalnoj zajednici kroz mnoštvo interaktivnih radionica predviđenih kroz samu razmjenu. U razmjeni je sudjelovalo 6 zemalja; Poljska, Albanija, Italija, Makedonija, Španjolska i Hrvatska, sveukupno 42 sudionika (6 sudionika u svakoj grupi te 1 vođa grupe iz svake zemlje), u dobi od 16-29 godina. Razmjena se održala u prostorijama dugoreškog Učeničkog doma.

Project: Energy of nature

Short description

The Local Development Association "Turbina Promjena", was the host of a youth exchange, under the Erasmus + program "Energy of nature", from June 30th to July 7th, whose aim was to encourage more constructive and more frequent participation of young people in the use of renewable energy sources and environmental protection. Some of the competencies gained during this exchange were additional education, the motivation for volunteering, and empowerment and raising awareness of the various possibilities offered by this type of intervention in the local community through a multitude of interactive workshops envisaged through the exchange itself. Six countries participated in the exchange; Poland, Albania, Italy, Macedonia, Spain and Croatia, a total of 42 participants (6 participants in each group and 1 group leader from each country) at the age of 16-29. The exchange was held on the premises of a student dorm in the city of Duga Resa, Croatia.

1. dan, 30. lipnja

Prvi dan razmjene mladih bio je predviđen za doček, upoznavanje i smještaj sudionika. Nakon što su se smjestili, organizirana je večer dobrodošlice gdje su se svi sudionici i projektni tim osobno upoznali te ukratko predstavili zemlju i organizaciju koju su predstavljali.

1st day, June 30th

The first day of the youth exchange was foreseen to welcome, meet and accommodate the participants. After they settled down, a welcome party was organized where all the participants and the project team personally met and briefly presented the country and organization they represented.

2. dan, 1. srpnja

Drugog dana razmjene sudionici su sudjelovali u „Sajmu Organizacije“, čiji je cilj bio upoznati druge sudionike s organizacijom koju predstavljaju. Kroz ostatak dana sudionici iz Hrvatske su na maštovit način predstavili Hrvatsku te održali prezentaciju na zadanu temu „Europa 2020“. Također su održane Youthpass radionice Italije i Makedonije nakon čega je uslijedila „Večer upoznavanja“ uz druženje i razgovor.

2nd day, July 1st

On the second day of the exchange, the participants participated in the "Organization Fair", whose aim was to introduce the other participants to the organization they represent. For the rest of the day, participants from Croatia presented Croatia in a fascinating way and held a presentation of the given theme; "Europe 2020". Youthpass workshops were also held by Italy and Macedonia, followed by the "Get to know night" where the participants socialized through conversation.

3. dan, 2. srpnja

Treći dan razmjene protekao je uz prezentacije zemalja, održane sa strane Makedonije, Španjolske i Italije te Youthpass radionice Hrvatske i Poljske. Poljska je također održala prezentaciju zadane teme „Sustainable development“. Dan je završio prvim dijelom interkulturalne večeri gdje su svoju zemlju kroz tradicionalne proizvode predstavili Hrvatska, Španjolska i Italija.

3rd day, July 2nd

The third day of the exchange went throughout the presentations of the countries held by Macedonia, Spain and Italy and the Youthpass workshops by Croatia and Poland. Poland also held a presentation of the default theme; "Sustainable development". The day ended with the first part of an intercultural evening where Croatia, Spain and Italy presented their country through traditional products.

4. dan, 3. srpnja

Tijekom 4. dana razmjene Poljska je započela s prezentacijom svoje zemlje, nakon čega su Albanija i Španjolska održale Youthpass radionice i Italija prezentaciju na zadanu temu „Natura 2000“. Španjolska je završila radni dan s prezentacijom svoje teme „Renewable energy resources“, nakon čega je uslijedio drugi dio interkulturalne večeri s Poljskom, Makedonijom i Albanijom.

4th day, July 3rd

During the 4th exchange day, Poland started the presentation of its country, after which Albania and Spain held Youthpass workshops and Italy a presentation on the theme "Natura 2000". Spain completed the working day with a presentation of their theme; "Renewable Energy Resources", followed by the second part of the intercultural evening with Poland, Macedonia and Albania.

5. dan, 4. srpnja

Makedonija je dan započela svojom temom o solarnim kolektorima. Nakon opširnog predstavljanja kao i grupne izrade makete solarnog kolektora, Albanija je predstavila svoju zemlju nakon čega je dan završen evaluacijom koja se provodila svakog dana i večernjim druženjem svih sudionika.

5th day, July 4th

Macedonia started the day with its solar collector theme. After an extensive presentation as well as a group design of a solar collector model, Albania presented its country, after which the day was completed by the evaluation, which was conducted every day, and an evening socializing among all the participants.

6. dan, 5. srpnja

Šestog dana razmjene organiziran je grupni izlet u energetski centar „Bračak” u Zaboku, gdje su sudionici proveli veći dio dana upoznavajući prvi takav centar izgrađen u Hrvatskoj.

6th day, July 5th

On the 6th day of the exchange, a group trip to the "Bračak" energy center in Zabok was organized, where the participants spent a large part of the day at the first such center built in Croatia.

7. dan, 6. srpnja

Sedmog dana razmjene Albanija je započela dan s prezentacijom svoje teme „Renewable energy sources in local communities“, nakon čega su održane dvije radionice pod vodstvom člana projektnog tima na temu pisanja i predstavljanja projektnih prijedloga. Za sam kraj radnog dijela razmjene sudionicima su podijeljeni Youthpass certifikati. Zadnja večer razmjene protekla je uz druženje i utvrđivanje naučenih vještina tijekom proteklih dana.

7th day, July 6th

On the 7th day of the exchange, Albania started the day with a presentation of their main theme; "Renewable Energy Sources in Local Communities", followed by two workshops which were led by a project team member on the topic of writing and presenting a project proposal. For the very end of the exchange, participants were given their Youthpass certificates. The last night of the exchange ended with socializing and determination of all learned skills over the past few days.

8.dan, 7. srpnja

Zadnji dan razmjene prošao je uz oproštaj svih koji su na bilo koji način sudjelovali u razmjeni te njihov siguran povratak kući, čime je završena ova uspješna razmjena mladih.

8th day, July 7th

The last day of the exchange went with a farewell to all those who were in any way involved in the exchange and with their safe return home, thus completing this successful youth exchange.
